# Controversies and Conversations in Cutaneous Laser Surgery

## *An Advanced Symposium*

August 8 - 10, 2003

Westin Salishan  
Lodge & Golf Resort  
Glenden Beach, Oregon

### OBJECTIVE

These last few years have seen the development of many new lasers and light sources, each with proponents and opponents. The claims and disclaims that follow the development of these devices is often contradictory. A faculty of distinguished speakers presents their views and develops a consensus on many of these controversies and other emerging areas. "Controversies" offer participants a unique opportunity to discuss these controversial topics in a collegial atmosphere with a large group of experts in the field.

This course will thus be of benefit to beginner and experienced laser and aesthetic surgeons, dermatologists, plastic surgeons, otolaryngologists, ophthalmologists, and other health care personnel interested in the current status of cutaneous surgery.

### FORMAT

The controversial issue will be presented at the start of each discussion. Selected faculty members will then be given a finite period of time to present their view. Other faculty will be asked to comment on the presentations. This will be followed by an open discussion, led by Drs. Dover, Arndt and Anderson. Both the faculty, as well as members of the audience, will be encouraged to challenge each other's opinions in a lively, no holds barred discussion. The last presentation each morning will feature challenging therapeutic problems. Participants and faculty are invited to bring along slides of difficult cases. Throughout the seminar, there will be ongoing discussions among the expert faculty and the participating clinicians about current trends and state-of-the-art techniques in cutaneous and aesthetic laser surgery.

## *Westin Salishan Lodge & Golf Resort*

The Westin Salishan Lodge & Golf Resort is a four-star resort, quietly woven into the towering pines and rolling dunes of the Northern Pacific coastline. Situated on 750 wooded acres along scenic Highway 101, the Salishan offers guest rooms and suites housed in separate, secluded buildings, with gas fireplaces, step-out view balconies and decks, easy beach access, hiking trails, and a beautiful tree-lined setting overlooking Siletz Bay and the majestic Pacific. Just two-hours from Portland International Airport, much of the drive is through the Willamette Valley and the Coastal Mountain Range. The resort is overwhelmingly rich with activities for the entire family, including many programs for children, exploring the Oregon Coast, golfing on a rugged Scottish-style links course, whale watching, working out in the fitness center, enjoying the indoor pool, whirlpool and sauna, playing tennis inside or out, discovering sea lion caves, or just plain unwind with a massage. Plan to sample their award-winning Northwest cuisine in the Dining Room, more causally in The Cedar Tree Restaurant, or privately, in their “Grand Award” Wine Cellar, featuring a vast collection of over 4500 bottles of world-class vintages. Listed as one of the “Best Places to Stay in the World,” by *Condé Nast Traveler* Gold List, January 2001, the Salishan provides a touch of Scotland in the Great Pacific Northwest.
